

REVIEWER ACKNOWLEDGEMENT

Open Access

Annual acknowledgement of manuscript reviewers

Harry Minas*

Abstract

With the proliferation of journals and the ever-increasing demands on the time and expertise of reviewers it has become increasingly difficult for editors to get high quality and timely reviews. On behalf of authors as well as the Journal the editors of *International Journal of Mental Health Systems* would like to thank all our reviewers who have made an indispensable contribution to the journal in Volume 9 (2015).

Submit your next manuscript to BioMed Central
and we will help you at every step:

- We accept pre-submission inquiries
- Our selector tool helps you to find the most relevant journal
- We provide round the clock customer support
- Convenient online submission
- Thorough peer review
- Inclusion in PubMed and all major indexing services
- Maximum visibility for your research

Submit your manuscript at
